ASSEMBLY BILL

No. 980

Introduced by Assembly Member Charles Calderon

February 22, 2007

An act to add Sections 1098, 1098.5, and 1102.6e to the Civil Code, relating to real estate transfer fees.

LEGISLATIVE COUNSEL’S DIGEST

AB 980, as amended, Charles Calderon. Real estate transfer fees: residential property.

Existing law permits various fees to be included in the price of a residential real estate transfer. Existing law requires specified disclosures to be made upon a transfer of residential real property and provides a form for this purpose.

This bill would define a transfer fee as a fee payment requirement imposed in any covenant, restriction, or condition contained in any deed, contract, security instrument, or other document affecting the transfer or sale of real property that requires a fee be paid upon transfer

of the real property, with specified exceptions. The bill would require a receiver of a transfer fee imposed prior to January 1, 2008, as a condition of payment of the fee on or after January 1, 2009, to record, by December 31, 2008, a specified document against the real property in the office of the county recorder in which the real property is located. The bill would, with regard to a transfer fee imposed upon real property on or after January 1, 2008, require the person or entity imposing the transfer fee, as a condition of payment of the fee, to record a specified document describing the transfer fee concurrently with the instrument creating the transfer fee requirement. The bill would require these recorded documents to include information on the amount of the fee and the purpose for which it will be used, among other things. The bill would require a transferor of residential real property subject to transfer fees to make a specified disclosure regarding those fees.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
